

Julie McCaughan

RN., MM (Nursing), MBA, DBA (Leadership)

Chief Operating Officer, OUE Healthcare

Ms. Julie McCaughan, an Australian healthcare leader with over 40 years of international experience, stands at the forefront of driving excellence in healthcare delivery. As the Chief Operating Officer at OUE Healthcare, Julie's multifaceted expertise encompasses hospital operations, patient safety, quality management, and nursing leadership. Her tenure is marked by a relentless commitment to implementing evidence-based practices and

fostering a culture of excellence.

Professional Experience

Julie's illustrious career includes pivotal roles in various healthcare settings. She served as the Chief Nursing Officer and Head of Quality at Siloam Hospitals Group, Indonesia, where she spearheaded organizational growth and quality enhancement from 2005 to 2015. Julie also served as the Chief Operating Officer of a groundbreaking hospital project in Ningbo, China, showcasing her strategic prowess in project management and operational excellence. Her tenure as the Health Manager of the Australian Christmas Island Detention Center underscored her ability to optimize healthcare operations in diverse and challenging environments.

Career Highlights

Julie's tenure at OUE Healthcare since 2019, initially as the Chief Medical and Quality Advisor and later as the Chief Operating Officer, reflects her instrumental role in driving organizational strategy and operational efficiency. She played a pivotal role in shaping quality frameworks and accreditation processes across Siloam Hospitals Group, overseeing its expansion from 4 to 41 hospitals. Julie's leadership at OUE Healthcare continues to inspire innovation and excellence, setting new benchmarks in healthcare delivery.

Academic Journey

Julie's academic journey is equally impressive, reflecting her relentless pursuit of knowledge and expertise. She holds a Doctor of Business Administration with a specialization in Leadership from Walden University, Minnesota, along with a Master's in Management (Nursing with Distinction) and a Master's in Business Administration from the University of Newcastle, NSW. Her academic foundation includes a Bachelor of Applied Science in Nursing from Edith Cowan University, Perth, and several postgraduate certifications in critical care nursing, hyperbaric nursing, wound management, and stomal therapy nursing.

Julie McCaughan epitomizes excellence in healthcare leadership, leveraging her extensive experience and academic prowess to drive transformative change. As Chief Operating Officer of OUE Healthcare, Julie remains steadfast in her commitment to advancing healthcare standards, ensuring optimal patient outcomes, and shaping the future of healthcare delivery on a global scale.

Julie McCaughan embodies a rare blend of academic rigor, extensive practical experience, and unwavering dedication to advancing healthcare standards. Her leadership at OUE Healthcare continues to inspire innovation and excellence, shaping the future of healthcare delivery.
